

ACKNOWLEDGEMENTS

The Seabird Restoration Program is a department of the Science Division of the National Audubon Society. We acknowledge Tom Bancroft, Kathy Dale and Don Ekstrom for their solid support and encouragement. We thank Maine Audubon for providing use of the Hog Island and mainland Audubon Center and Anthony Liss and Susan Schubel for their invaluable logistic support. We also thank John Fitzpatrick and the Cornell Laboratory of Ornithology staff for continued cooperation.

In addition, we thank Brad Allen and the Maine Department of Inland Fisheries

and Wildlife for permission and logistic support for our work on Eastern Egg Rock, Jenny Island and Outer Green Island. We also thank Beth Goettel, Brian Benedict and the staff of Maine Coastal Islands National Wildlife Refuge for their continued cooperation for our studies on Seal Island NWR, Pond Island NWR and Matinicus Rock. Robert Houston, Biologist for the USFWS Gulf of Maine Program graciously provides logistic and field support. We also thank the Prout's Neck Audubon Society for their loyal support for our work on Stratton Island.

It is a special pleasure to acknowledge the following for their generous assistance and gifts:

MAKE A GIFT TO PROJECT PUFFIN FROM YOUR IRA

The Emergency Economic Stabilization Act of 2008 renewed provisions of the Pension Protection Act which allows donors to make current charitable gifts from their IRAs. If you are 70½ years old or older, you can make charitable gifts (up to \$100,000) from your traditional or Roth IRA. There is no income tax deduction for gifts and the distribution will not be subject to income tax as would a non-charitable distribution. The benefit is in being able to make a current charitable gift while removing highly taxed assets from your estate.

To make a gift to Project Puffin from your IRA, instruct your plan sponsor to make a check payable to the Audubon Seabird Restoration Program. To ensure your gift is properly recorded, have your plan sponsor send the check to you. Please forward the check to the attention of Dr. Stephen Kress at our Ithaca, NY office. If you have questions, please call Audubon Vice President, Wayne Mones at 212-979-3033.

Please also consider naming the Audubon Seabird Restoration Program as a beneficiary of a portion of the amount left in your IRA at the time of your death.
