

SEABIRD EDUCATION PROGRAM: RATES AND REGISTRATION 2001/2002

As you may know, we work on building concepts and believe that much of the success of our program rests on making a series of visits to each class. The rate schedule is therefore adjusted to act as an incentive for more than one visit.

Our rates are changing this year as Audubon and Maine Audubon join forces.

ONE class visit (approximately 45-60 minutes)	\$70 each
TWO class visits (or two total hours)	20% discount
THREE or MORE class visits (or three total hours)	25% discount

A mileage charge will be added for each day's visit.

EACH NEW SCHOOL that participates in the program will receive free copies of our two books (Project Puffin, and the Teacher Guide) and a copy of the Disney/Audubon video, "Puffin Adventure".

SCHOLARSHIP MONEY is available for schools with limited or no budgets.
